GUARDIAN INDUSTRIAL DOORS LTD

Environmental Policy Statement

Guardian Industrial Doors Ltd is committed to the protection of the environment and we are all responsible for minimising the impact we have on it. This commitment extends to all our activities, which have the potential to affect the environment. We aim to reduce environmental harm, minimise the use of energy and other resources and ensure that the principles of sustainable development are operated throughout our activities.

Through this policy we commit our company to:

- Reduce and where reasonably practicable eliminate any adverse impact on the environment arising from the activities of our business.
- Minimise the use of energy, resources consumed and waste produced while undertaking our business activities in a safe and professional manner.
- Support the re-use and recycling of materials and ensure the safe and legal disposal of all wastes arising from the activities of the business.
- Comply with and wherever possible exceed the environmental requirements of appropriate legislative bodies and our customers.
- Identify the significant environmental aspects and impacts from current activities and implement an environmental management system.
- Ensure that all staff are provided with adequate and appropriate information and training and are competent in environmental matters.
- Establish and measure environmental performance against objectives and/or targets.
- Continually improve our environmental performance.

We all have a personal responsibility for working in an environmentally friendly manner; the involvement and participation of everyone will be actively sought and encouraged.

This policy will be regularly reviewed and updated as necessary. The company endorses these policy statements and is fully committed to their implementation.
